

THE WOODLANDS MARATHON

RELAY

Relay Information Sheet

Each member will be responsible for his or her transportation to the exchange points along the course.

Timing Chip Information

One member of the team will also receive a Velcro strap with your team number on it. The strap is to be transferred from one participant to the next at the relay exchange points and will be used to track the team's cumulative time. If you have an issue with your strap race morning, please visit the Race Information Tent at the front of Town Green Park.

IMPORTANT

Transportation From Exchange Points

Each member will be responsible for his or her transportation to the exchange points along the course.

The Woodlands Marathon Management will not be responsible for transporting runners to the exchange points.

The Woodlands Marathon Management will transport runners from the exchange points back to the race site (Lake Robbins Drive & Six Pines Drive). Teams are not required to check in together prior to the race. Shuttle vans will begin running at 7:30am and we expect them to depart every 20-25 minutes. Please arrive to the area with enough time to park and make your way to the exchange point.

Team Member Emergency

There will be ambulance and bike EMS teams providing medical support along the course. Runners will have access to medical support at each Aid Station adjacent to the water stop along the course, as well as the finish line. If an emergency with one of your team members arises, we do the best we can to notify the existing members of a withdraw or emergency situation.

Finisher Medals

Each team's final runner will receive their medal as they cross the finish line. The Finish line medal attendants will be available to help other team members obtain their medals. Once the Relay is complete, medals will be released to other members.

Joining your team member at the finish line

The Woodlands Marathon Management will not be held responsible for runners being back to the finish line to meet their team members for run in.

Each team should come up with their unique location to meet up after the finish. There are several locations to choose from. The Amegy Bank Results

Zone, the Beer Garden, Front of Town Green Park, or the Food & Beverage Tents, the back of the Marriott. Please discuss a meeting location with your team members before race day to make sure everyone is in agreement on the location.

Relay Team Members may run in together. They will need to stay single file and wait until they are upon the finish line before coming together. Please respect the individual runners on the course.
